

City of Idaho Falls Facility Use Protocols

The following protocols will be in place while use facilities for volleyball and basketball.

All individuals in the facility must maintain 6ft social distant from individuals not in their household.

- City will make face coverings and sanitization available at the entrance lobby.
- When social distancing can't be maintained, face covering required for all, except for players currently playing in the game and officials refereeing the game.
- 2 spectator per player may enter the facility
- Spectator seating is every- other bleacher.
- Teams will remain on the same side during the duration of the game.
- No one is allowed on the lobby unless to use the restrooms.
- Teams must follow the signs to enter and exit the facilities properly
- Once the game is over please exit the facility as quickly as possible to allow enough time to disinfect the bleachers before the next game.
- Each team is responsible for bringing their own water and each player should have their own water bottle. Fountains will be available for teams to fill up their individual player water bottles
- Teams arriving to play are welcome to come inside building once the "A Frame" outside the facility is green. This will help with overcrowding in the facility.
